INOXCO Sanitary clamp with safety wing nut in stainless steel 316 P/P - 291 (13MHHM)

- Specifically developed for use in the food and pharmaceutical industries
- Hygienic wing nut with no openings or edges where dirt can accumulate
- Easy to clean thanks to the hygienic design
- Extended service life: the thread is protected against damage, for example during cleaning
- Robust design: overtightening or forcing is impossible
- Available directly from stock
- Also available: ferrules (various standards) and gaskets in EPDM, silicone, VITON®, PTFE and PTFE/VITON®

Dimension	Flange dimension	Article number
½" - ¾"	25.40	N900291701K
DN 10-20	34.00	N900291100K
DN 25-40 | 1"-1½"	50.50	N900291103K
DN 50 | 2"	64.00	N900291106K
2½"	77.50	N900291107K
DN 65 | 3"	91.00	N900291108K
DN 80 | 3½"	106.00	N900291109K
DN 100 | 4"	119.00	N900291111K
6"	167.00	N900291713K
