MURZAN

PUMPS & PROCESSING SYSTEMS

THE SC PUMP

SANITARY, SIMPLE, STAINLESS, PORTABLE, VERSATILE, CIP'ABLE

The Murzan SC (Small Chamber) pump is compact, lightweight and there is nothing else like it on the market. The SC delivers the same unmatched performance as the PI-50 in a smaller size. The SC is powerful enough to pump high viscosity products and is easy to disassemble, inspect and clean, just like the PI-50.

APPLICATIONS

Easily handles a wide variety of food, cosmetic, and pharmaceutical items such as mayonnaise, cottage cheese, whole eggs, shampoo, lotions, syrups, emulsions and more.

Spark proof design allows for transfer of highly flammable products such as Isopropyl alcohol, spirits, flavors, and essences.

FEATURES

- CIP capable
- Can run dry without damage
- Delicate pumping for shear sensitive fluids
- Oil free air valve does not need lubrication and eliminates potential environmental contamination
- Atex - Spark proof design
